Hospital

Company Profile 2024

Cairo
Hospital

ABOUT US

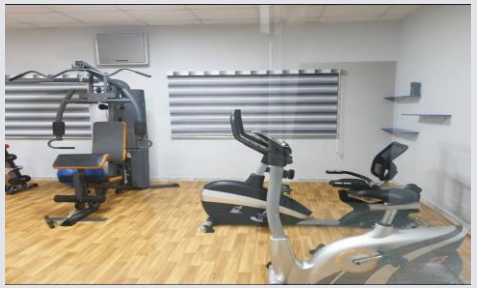

Cairo Hospital is the first hospital in Abuja that was founded in 2019, emerged from the vision of a dedicated team of Egyptian medical professionals and administrators. Nestled in the heart of Nigeria's Federal territory, our institution is committed to providing exemplary healthcare services to our community and beyond. With a focus on excellence, innovation, and compassionate care, Cairo Hospital stands as a beacon of quality healthcare in the region.

OUR HISTORY

Cairo Hospital commenced its journey as an outpatient orthopedic and physical rehabilitation clinic. Since its inception, it has expanded its services to include a fully equipped laboratory diagnostic department and a digital X-ray department. Under the umbrella of Cairo Rehabilitation Centre (CRC).

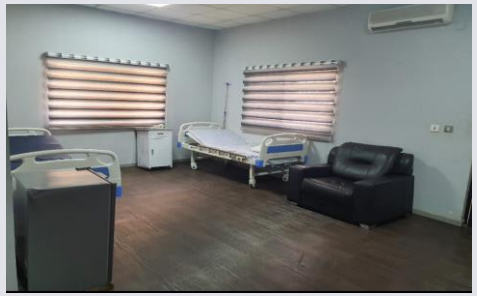

OUR HISTORY

We have been present in Nigeria since 1971. In 2021, Cairo Hospital underwent a significant upgrade, expanding its range of specialties. This expansion included the addition of a fully equipped surgery room, an inpatient department, and a pharmacy department.

OUR AIM

At Cairo Hospital, we are committed to two fundamental principles: patient compliance and satisfaction, and the delivery of accurate diagnosis and effective treatment.

HYGIENE

COMFORT

CARE

REASSURANCE

OUR MISSION

- INTERNATIONAL STANDARD MULTI SPECIALITIES HOSPITAL.
- REFERAL HOSPITAL IN NIGERIA AND WEST AFRICA.
- CUTTING EDGE TECHNOLOGY IN DIAGNOSTIC, MEDICAL AND SURGICAL FIELDS.

OUR MOTIVE

- SOLVING ALL HEALTH CHALLENGES ALL OVER NIGERIA AND WEST AFRICA.
- MAKING SURE ACCURATE DIAGNOSIS AND PROMPT TREATMENT IS GIVEN TO EVERY PATIENT.
- HEALTH CARE OPTIMIZATION IN WEST AFRICA

OUR TEAM

Dr. Ahmed Shaker received his medical education at Ain Shams University and holds the prestigious MRCOG (Member of the Royal College of Surgeons in Dublin) qualification.

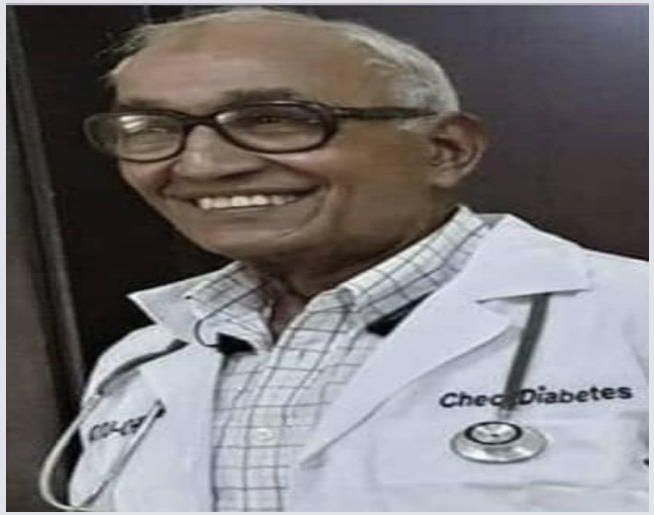

With a remarkable career spanning over five decades, Dr. Shaker has made significant contributions to healthcare in Nigeria. He began his journey in 1970, serving as the Medical Director of the National Electric Power Authority (NEPA), overseeing a network of over 130 hospitals across the country until 1991.

Transitioning to the private sector, Dr. Shaker continued to excel in healthcare management. He served as the Director of AGUDA Hospital in Lagos and Weaner Hospital in Abuja, where his leadership ensured the delivery of quality medical services to countless patients.

In 2019, Dr. Shaker embarked on a new venture, partnering with investors to establish Katameya Hospital, further expanding his legacy of excellence in healthcare provision.

Dr. Ahmed Shaker's unwavering dedication to healthcare innovation and his commitment to improving medical services have earned him recognition as a leader in the field. At Cairo Hospital, we are privileged to have Dr. Shaker's guidance and leadership shaping our vision for the future of healthcare in Nigeria and beyond.
